# About the event

There are 2 big events in Ubuntu Community today:

## **Ubuntu Summit**

Previously, UDS (Ubuntu Developer Summit)

Gathers Ubuntu folks all around the world.

## **UbuCons**

By continent or country, organized by LoCos

Fully community driven - Canonical is just a sponsor here

# Bid schedule

- Submission deadline: Mid of October
- Review & feedback: Mid ~ Late October
- Video call Pitch & Q&A session
  - During review period, if needed
- Announcement: Late October (probably during Ubuntu Summit)

Schedule could be delayed for some reasons. But we'll try to make announcement at least late November - If there's any local would like to host next year.
