

Workshop Details

- Two people per group, we have only **10 kits** in total thus we are expecting **20 attendees**.
- Each group will be provided BeagleConnect Freedom, BeagleConnect Backpack, and a Servo motor.

Requirements

- Linux Laptop with Zephyr Setup
- Basic familiarity with Linux
- Git and [OpenBeagle account](#)
- Visual Studio Code or some other text editor

System Setup

- Setup Zephyr using the instructions from Zephyr documentation:
https://docs.zephyrproject.org/latest/develop/getting_started/index.html
- Install cc1352-flasher:
 - `pip install cc1352-flasher`
